Dear Ms. Aburto Madriaga, Ms. Alvarado Pavez, Ms. González Fuentes, Ms. Neculman Zamorano

On behalf of the OMEP Education for Sustainable Development Leadership Committee, we want to congratulate you and your faculty supervisor, Loredana Ayala Paredes, for your innovative project entitled *Center of Creative Reuse (CCR)*. **We are happy to inform you that your project has been selected as a winner of the 2023 OMEP Education for Sustainable Development Student Award.** Your project is especially notable because it focuses on cultural practices.

We wish to recognize your award to include in OMEP's report to UNESCO's Education 2030 program, the UNESCO Resource Bank and the World OMEP website.

Additionally, in autumn 2023 we will organize a Webinar in the OMEP Seminar series where the award winners will present their projects.

Again, congratulations on receiving a 2023 OMEP Education for Sustainable Development Award. We look forward to learning more about your project and to hearing about your future involvement in OMEP's ESD efforts.

Sincerely,

Ingrid Pramling Samuelsson
